Dear Industry Colleague:

Welcome to the world of Gray Line - the world's largest motorcoach and intermodal sight-seeing, charter and transfer organization.

This **Worldwide Location Directory** has been designed especially for travel agents, meeting planners, tour operators and others requiring an abbreviated listing of Gray Line locations.

Gray Line is currently on-line with the Official Recreation Guide (ORG), with access through the American Airlines' SABRE Travel Information Network. Additionally, many Gray Line locations are able to accept electronic payment through the Citicorp World Travel Payment Program. For additional information on these added services, please see the descriptions following this letter.

This year Gray Line also introduces our new **group** sight-seeing and charter sales organization. Information, reservations and booking assistance are available through 1-800-583-5900.

Gray Line is ready to serve you in more than 150 cities worldwide; and to coordinate your arrangements from our new international headquarters in Dallas, Texas.

For complete details about our services in 150 cities worldwide, please see our 1991 "Worldwide Services Directory".

Sincerely,

Robert L. Rohrer
President and
Chief Executive Officer
